

JOB DESCRIPTION:

Job Title: Graduate Internship

Role Description:

EQ Investors are looking to offer short-term internships for graduates. Through practical project work, hands on training and shadowing of colleagues, you will get a first-hand understanding of our business, our goals and our company ethos.

Our Internships will potentially offer you the chance to work across the following areas of EQ:

- Business Development
- Investments
- Management & Support

We encourage you to inform us of any specific business areas of interest of yours. We will try to accommodate such requests but cannot guarantee this.

Duration: 2 Months

Please note that a review on the progress of the placement will be conducted after the intern's first month at EQ. For those interns not meeting our required business standards, the internship will unfortunately not continue into the second month.

Application Timeframe:

We welcome applications from candidates throughout the year.

These are reviewed on a rolling basis and internships are offered where a business need is identified.

Skills & Experience:

We are looking for candidates who are innovative, enjoy solving problems and respond positively to the challenges presented within a daily business environment. You will help us to achieve our business goals of providing the highest quality of service and investment performance to our clients.

Other competencies we look for include:

- Competent user of Microsoft Office
- Initiative
- Highly organised – e.g. good timekeeping
- Able to work under pressure
- Willingness to learn

Ultimately you'll be keen to develop a career in wealth management and the broader financial services industry.

Minimum Requirements

You will be working towards/have completed your Undergraduate/Postgraduate degree
Predicted Grade/Result: 2:1 and above

Remuneration

Month 1: Unpaid

Month 2: Paid at the London Living Wage (currently £1,584.38 per month)
