Total charge	0.95%	1.05%	1.17%	1.26%

DFM charge: Our annual management fee will be applied to all client portfolios at the lowest applicable rate based on the total value of assets managed by EQ on your behalf (see opposite).

OCF: Total underlying annual fund costs and charges.

Transactional costs: Projected annual transaction costs (e.g. Stamp Duty).

Incidental costs: Average expected annual performance fees and other incidental costs.

Past performance is not a reliable indicator of future performance. The value of investments and income derived from them can go down as well as up and you may get back less than originally invested.

*Total assets managed by EQ	DFM charge
< £5 million	0.32%
£5–15 million	0.30%
£15–30 million	0.25%
£30–60 million	0.20%
> £60 million	0.18%

All charges shown are correct as of 27/05/2025. All figures are indicative: actual charges will be calculated by your platform. Costs may vary depending on which platform and currency you use, and will be slightly higher for platforms that do not accommodate the use of preferred share classes.
