

Finding your sustainable
DFM partner

A trusted partner for your
clients' investments

EQ investors

- ✓ A discretionary fund manager focused on sustainable and impact investing
- ✓ Building partnerships with adviser firms across the UK and around the globe
- ✓ Offering award-winning active, passive and bespoke investment solutions

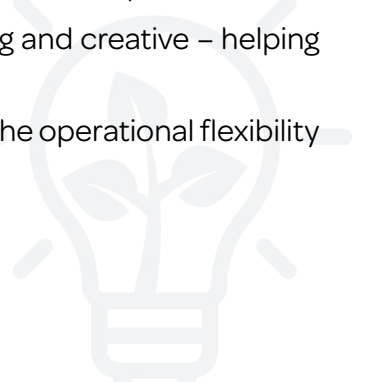

An outsourced investment solution

- ✓ Empowers adviser firms to serve their sustainable clients with credibility and integrity.
- ✓ Create bespoke solutions tailored to your sustainable wealth clients through collaborative portfolio design, where your firm's insights meet our sustainable investing acumen.
- ✓ Designed to be straightforward, efficient and collaborative, delivering a sustainable MPS that feels like an extension of your own proposition.

Why partner with EQ?

We help you build trust and connect your sustainable clients with their values.

- ✓ Our specialist team offers deep expertise across ethical, responsible, ESG, sustainable, and impact investing target markets.
- ✓ We deliver both impact and performance through diversified, multi-asset portfolios built with high-conviction funds.
- ✓ We help protect your business from greenwashing risks and other rapidly evolving regulations, including the FCA's Consumer Duty and SDR, while meeting all necessary disclosure requirements.
- ✓ Our award-winning bespoke reporting is designed to be personal, inspiring and creative – helping your clients connect with the positive change their portfolios are driving.
- ✓ We integrate seamlessly into your advisory practices and processes, with the operational flexibility to support third-party platforms or direct custody.

Key considerations to building your proposition

Defining your financial objectives

Defining your sustainable objectives

Why choose EQ

EQ is a founding certified B Corp and proudly holds one of the **highest B Corp scores among UK firms** - a testament to our commitment to doing business as a force for good.

At the heart of EQ is a belief that business decisions should consider **people, planet, and purpose**. Our staff and shareholders expect nothing less, and they hold us accountable for delivering on that mission which has been at the core of the business since it was created in 2014.

You can be sure that our investment philosophy is focused on sustainable strategies we believe in for the long term – ensuring your reputation is safe with us. We don't just talk about responsibility; we're built on it.

Award-winning research

Our experienced team has been recognised for best practices in sustainable investing.

- ✓ We invest in advanced research tools and high-quality data to identify the best funds and measure our impact effectively.
- ✓ We work in close partnership with fund managers to drive best practice across the industry.
- ✓ We align our due diligence to the leading industry standards and initiatives.
- ✓ We have an ambitious stewardship and engagement strategy that drives for positive change.
